

FIO Series (Accessories)

▶ MOUNT-KL-D30-VA

Mounting device for an optical fiber probe type KL-PLNG-BL-A3.0

- Assembly equipment for an optical fiber probe type KL-PLNG-BL-A3.0, for on-site mounting (e.g. in the plastics industry)
- Tube lengths each 500mm
- Variable locking of the mounting arm
- Various mounting possibilities
- All components made of stainless steel (VA or V2A)

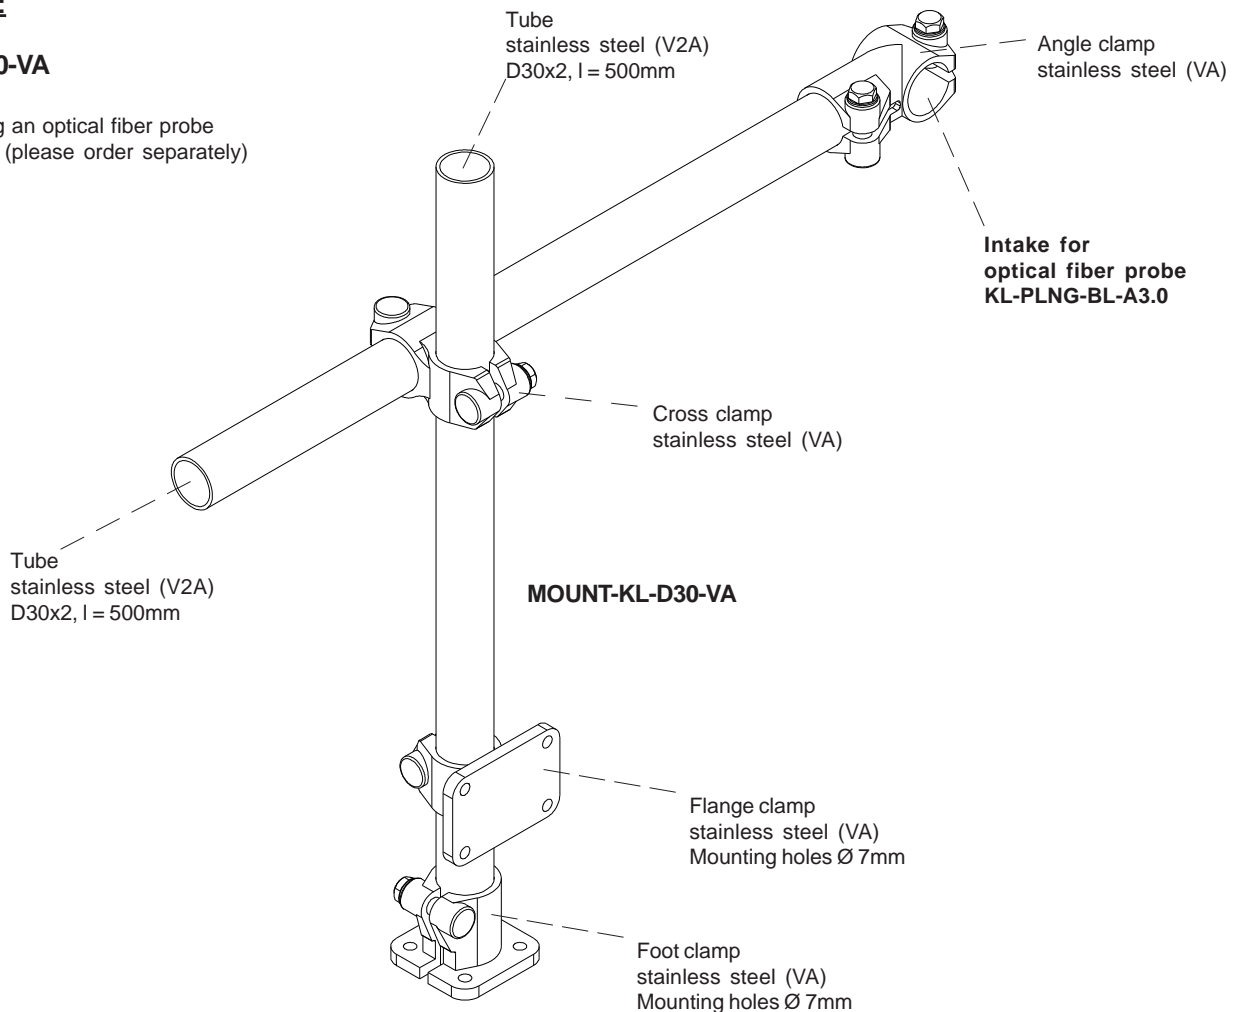

Design

Product name:

MOUNT-KL-D30-VA

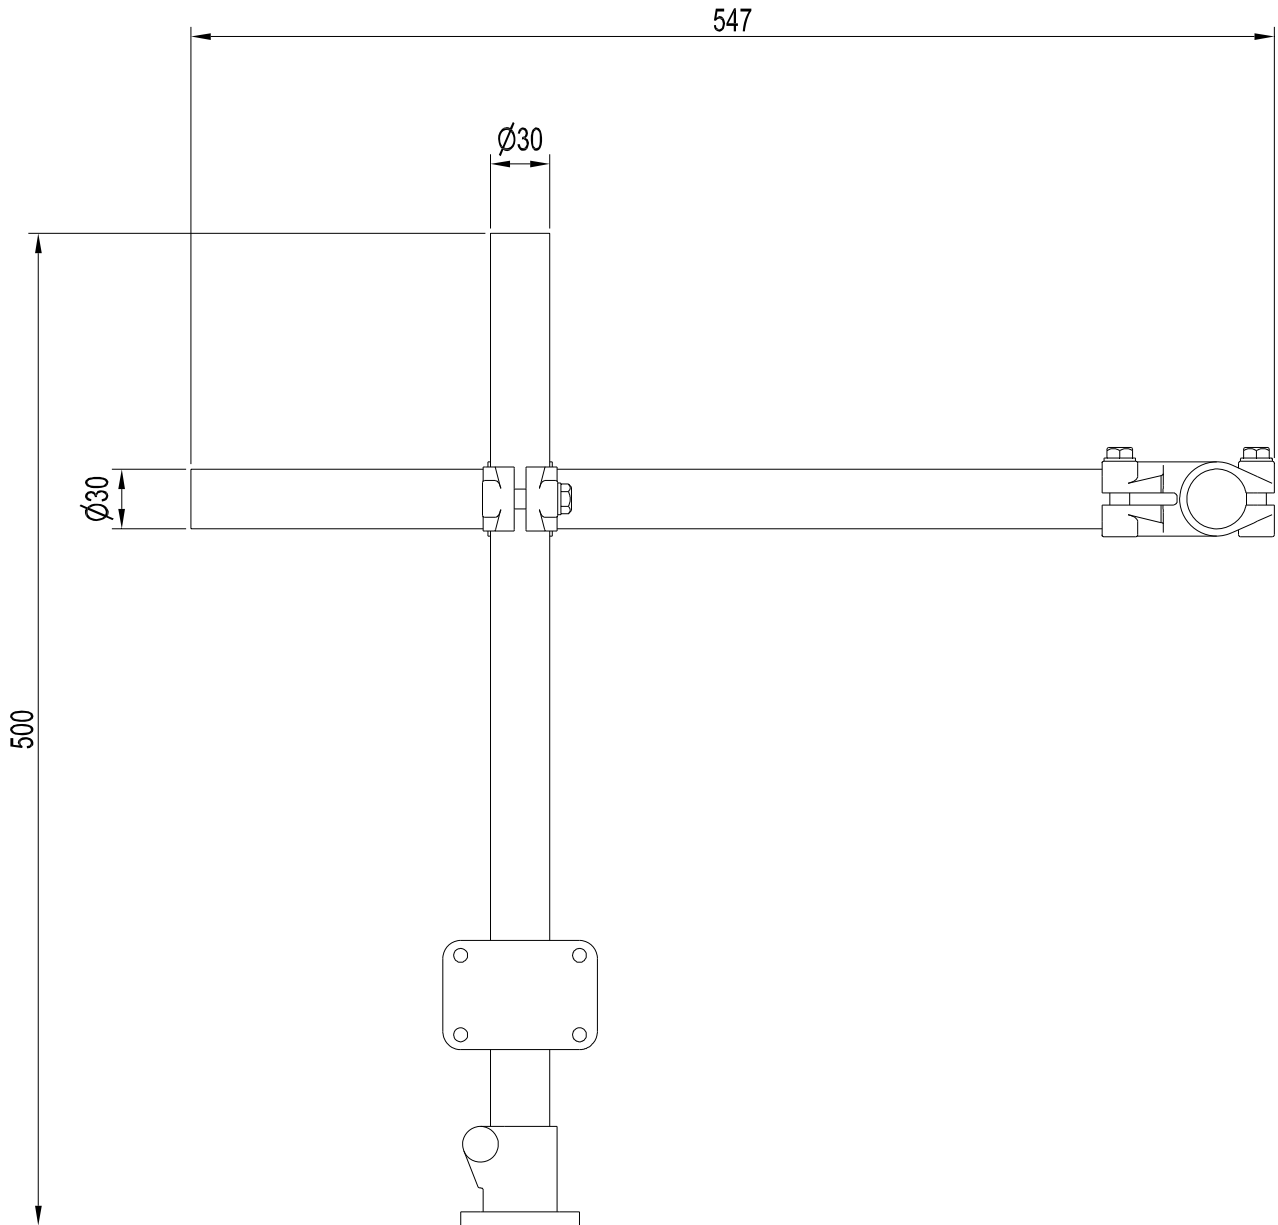

Suitable for holding an optical fiber probe KL-PLNG-BL-A3.0 (please order separately)

Dimensions

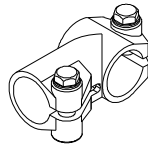

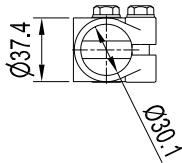

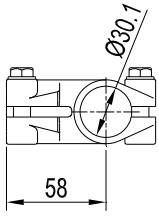

MOUNT-KL-D30-VA

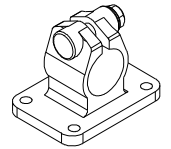

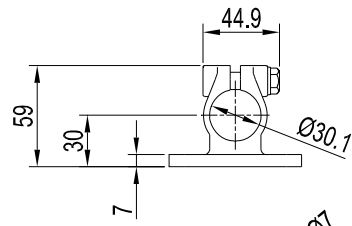

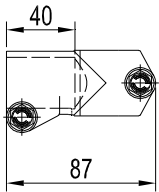

All dimensions in mm

Dimensions

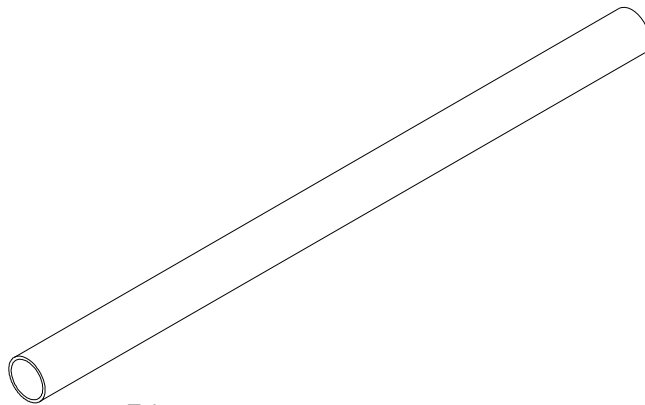

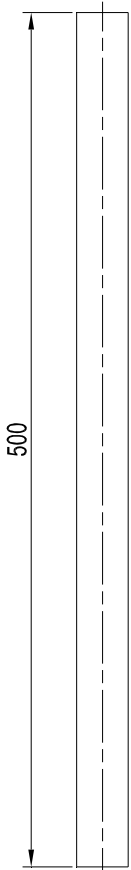

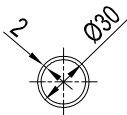

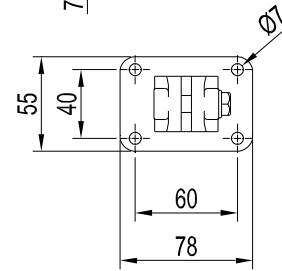

Components of the MOUNT-KL-D30-VA:

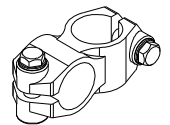

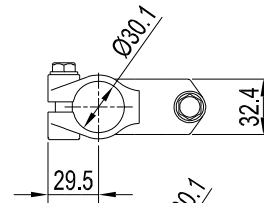

Angle clamp
stainless steel (VA)
W 30

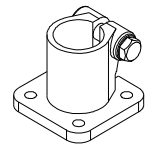

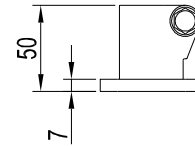

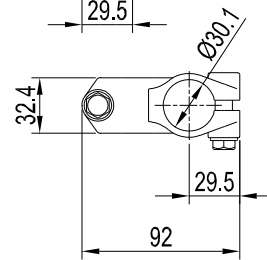

Flange clamp
stainless steel (VA)
FK 30

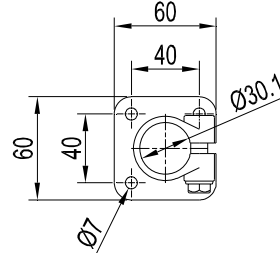

Tube
stainless steel (V2A)
D30x2

Cross clamp
stainless steel (VA)
K 30

Foot clamp
stainless steel (VA)
FS 30

All dimensions in mm
